

IMAGINATION - GOVERNANCE, STAKING AND ECOSYSTEM DOCUMENT

INTRODUCTION

Imagination is a staking-based NFT ecosystem on Snipverse, combining art, rewards, and community-driven governance.

The project has been designed to create long-term value through a transparent reward system, a strong community structure, and a vision that can operate independently over time.

SENTINELS OF IMAGINATION - COUNCIL STRUCTURE

The Sentinel Council is the highest decision-making body overseeing the strategic development and treasury of the Imagination ecosystem.

The Council operates under the name:

🛡️ 9 Sentinels: Guardians of Imagination

The structure of the Council is fixed and consists of nine Sentinels.

FOUNDING SENTINELS:

- ◆ **DAEH - creator of the Imagination collection**
- ◆ **NEO - Guardian, multisig treasury access**
- ◆ **MABUS - Strategist, multisig treasury access**

OTHER SENTINELS:

- ◆ **Victoria**
- ◆ **MoNo**
- ◆ **OwlNoctun**
- ◆ **Chris**
- ◆ **Digen**
- ◆ **MM**

TREASURY

The treasury is managed via a multisig wallet: axterisia

RULES:

- ◆ **Access is limited to DAEH, NEO and MABUS**
- ◆ **A minimum of 2 out of 3 signatures is required**
- ◆ **Larger transactions require prior Council discussion**

GOVERNANCE MODEL

- ◆ **Each Sentinel holds 1 vote**
- ◆ **Decisions require a minimum of 5 votes**
- ◆ **No member holds overriding authority**

The creator (DAEH) serves as:

Founder and Keeper of the Vision

TRANSPARENCY

- ◆ **All decisions are recorded internally**
- ◆ **Key information may be published**

STAKING MODEL

Current staking pool:

270 000 000 \$Snips

STAKING POINTS:

- ◆ **1 Imagination NFT - 1 point**
- ◆ **1 Imagination700 NFT - +0.7 point**

The bonus applies only when at least 1 Imagination NFT is held

IMAGINATION – CORE COLLECTION

- ◆ **Maximum supply – 777 NFTs**
- ◆ **The foundation of the entire ecosystem**

Each Imagination NFT:

- ◆ **Generates a base staking point**
- ◆ **Provides access to full rewards**
- ◆ **Is required to activate Imagination700 bonuses**

The Imagination collection represents:

- ◆ **the core of the staking system**
- ◆ **the primary source of value in the ecosystem**
- ◆ **the foundation for all additional mechanisms**

Without holding an Imagination NFT:

- ◆ **the Imagination700 bonus does not apply**
- ◆ **participation in the system is limited**

IMAGINATION700 – STRUCTURE

- ◆ **Super Rare – 70**
- ◆ **Rare – 210**
- ◆ **Standard – 420**

Total supply – 700 Sentinels

All Imagination700 NFTs have equal staking impact

IMAGINATION 777 CRYSTAL

- ◆ **Only 7 exist**
- ◆ **Each provides a monthly multiplier (x1-6)**

IMAGINATION MIRROR GATE

Imagination Mirror Gate is a cyclical, monthly community event based on limited access and a prize draw held on the last day of each month.

Access is obtained via:

NFTpacks.io

- ◆ **77 entries**
- ◆ **1 entry = 1 NFT pack**
- ◆ **Each entry participates in the draw**

REWARDS:

- ◆ **1 NFT from the Imagination collection**
- ◆ **2 NFTs from the Imagination700 collection**
- ◆ **7 x 70 000 \$Snips**

RULES:

- ◆ **Maximum 7 entries per person**
- ◆ **The draw takes place after the Gate closes**

MECHANISM:

- ◆ **community activation**
- ◆ **NFT distribution**
- ◆ **increased ecosystem engagement**

REWARD DISTRIBUTION for holders of NFTs from both collections

Applies to the Imagination and Imagination700 collections

- ◆ **Claim window: 1-7 each month**
- ◆ **Platform: [NFTclaimhub.io](https://nftclaimhub.io)**
- ◆ **Each user claims independently**

REVENUE DISTRIBUTION

IMAGINATION:

- ◆ **93% - staking pool**
- ◆ **7% - creator**

IMAGINATION700:

- ◆ **93% - staking pool**
- ◆ **7% - creator**

VISION AND DEVELOPMENT

The goal of Imagination is long-term stability and independence

- ◆ **Building a system that operates beyond the creator**
- ◆ **Strengthening community governance**
- ◆ **Expanding ecosystem presence**
- ◆ **Continuously improving the staking system**

HOLDER BENEFITS

- ◆ **Monthly rewards in \$Snips**
- ◆ **Access to the community**
- ◆ **Participation in ecosystem growth**
